Headteacher: Dr P C Bell

Our ref: PCB/KC/AMO

Dear Parent / Carer

## **Year 7 Design and Technology: Textiles and Product Design**

This year in Design and Technology lessons, your son/daughter will be making a range of products in Textiles and Product Design using a variety of materials.

I request a contribution of £5.00 towards the cost of the materials used in these projects. Payment should be made through the school's ParentPay system, please indicate the group and subject where you may indicate which year group you are paying for. Please complete the google form [here](#) to indicate you have received this information.

The Parent pay account will be available from Monday 7 November until Friday 16 December.

There may be times in Food Technology lessons, when your son / daughter will be tasting foods. It is therefore very important, that they inform their food technology teacher of any medical conditions, allergies and/or food intolerances.

The school offers a hardship fund to provide financial assistance. Cases of financial hardship will be dealt with sympathetically and confidentially by the school. Please contact the Finance Department for assistance.

Medical information will be taken from the datasheet you have already provided at the start of each school year. If there have been any changes to this information it is vital that you notify us as soon as possible by email to; [pastoralhub@horsforthschool.org](mailto:pastoralhub@horsforthschool.org))

Yours sincerely

Mrs K A Carrara  
Leader of Learning – Functional Design – Design Department
