29 March 2017

Dear Parent/Carer

As you will be aware over a number of years we have run a number of successful sport tours where students get the opportunity to visit another country and receive high quality coaching in either Football or Netball.

We would like to discuss with parents/carers the options of looking at a slightly different trip in 2019 that would be offered to students in year 7 and 8 currently. With this in mind we are holding a parent forum on the 20 April 2017 at 6pm and it would be great if you could attend to provide us with some feedback.

The current proposal is that we run a Sports and Culture Tour to South Africa that will not only focus on sports but will also be linked to both the History and Geography Curriculum. The tour will run in 2019 giving student's adequate time to fund raise for the trip as well as giving parent's time to save to cover the costs. We have invited the company proposing the tour to the evening to discuss the trip with you and provide details on the events that would take place.

I hope you will see this as an exciting opportunity for student's, however if the majority feel this wouldn't be beneficial we will continue with the sports tour as it is currently run.

Thank you for your interest in this and I look forward to seeing you on the 20 April 2017.

Yours sincerely

Ben Steele
Teacher of PE
