

Equipment list

What I will need to bring each day...

1. Your planner and timetable-you will get this on your first day in September

2. A school bag-either a ruc-sack or satchel is best-you will have lots to carry

and your locker key. You can get this in September

3. A pencil case with 3x pens,3x pencils, rubber, pencil sharpener, ruler, compass and protractor, scientific calculator and glue stick as a minimum

You may want highlighters and colouring pencils but they are not essential in Year 7

4. Any medication you have-inhaler, epi pen etc. You must have this in your bag and a spare at reception is ideal

5. Your PE kit (not needed on the first day)

6. All of your uniform-tie for your year group, school jumper, black shoes

7. You may also need to bring ingredients for Food technology but you will find out about this in advance

Use the summer term to prepare the things you can get together (the green ones)
