Dear Parent/Carer

OPTIONS

We are aware that a number of students have expressed a desire to continue both History and Geography in Year 9 to a greater depth. With that in mind, we have added Geography as a depth subject which can now be selected on options online.

If your child would like to take this as an option next year, then they will need to select History as their Humanities specialism, and Geography as the depth subject.

Finally, please note that we will not be able to run the Geography depth subject if numbers do not prove sufficient.

Yours sincerely

Mr S Jackson
